Project Title: Asian American Movement

https://en.wikipedia.org/wiki/Asian_American_movement

I'd like to build this site with a single page, as there is a limited amount of information. I want to build multiple columns that scroll differently, one dedicated to images and the other information (or similarly complementary elements)

(Sections:)

- **Home Page/Introduction:** Introduce and define the "Asian American Movement"
- **Pre-Movement** (Prior to 1960s)
- **Key figures:** Highlight Grace Lee Boggs
- **Key organizations:** Highlight the Asian American Political Alliance (AAPA)
- **Sources:** This page will list sources, both from Wikipedia page and from photography/outside information.
